

Corrigendum-5 to GeM Bid ref: GEM/2022/B/2781804 dated 29/11/2022 for Selection of System Integrator for Core Banking Solution, Allied Applications, Infrastructure and Network Operations for the Bank.

It is decided to amend the following in respect of the above GeM Bid:

a. GeM Bid Document, Bid Details (Bid End Date/Time, Bid Opening Date/Time, Page no. 1 of 6):

Description	Existing details	Amended details
Bid End Date/Time	10-02-2023, 15:00:00	<u>13-02-2023</u> , 15:00:00
Bid opening Date/Time	10-02-2023, 15:30:00	<u>13-02-2023</u> , 15:30:00

Sl. No.	Section/Annexure/Appendix of the GeM bid	Clause No.	Existing	Amended
1	Annexure 16 - Resource Requirements	Annexure 16	Existing Annexure	The amended Annexure for Resource requirements is attached to this corrigendum as amended Annexure-16.
2	Annexure 23 - Existing Hardware Inventory	Annexure 23	Existing Hardware Inventory	Revised Annexure 23 will be shared with the Bidders who have signed the NDA
3	Annexure 9 - Bill of Materials	Annexure 9 - Bill of Materials	Amended Annexure -9 Bill Of materials	Kindly refer amended Annexure-9 Bill of Materials
4	Scope of Work, Point 10.2, Page 16	10.2. IT Infrastructure Operations & Support	10.2.4 Bidder should evaluate & provide the unit prices in Annexure 23 Existing Hardware Inventory for entire contract period. For any inclusion/exclusion of devices during the contract period, AMC, ATS cost shall be added/removed as per the unit rate for respective devices submitted by successful Bidder in Annexure 23. Bidder should submit	10.2.4 Bidder should evaluate & provide the unit prices in Annexure 23 Existing Hardware Inventory <u>for first 3 years and 5 months</u> of the contract period. For any inclusion/exclusion of devices during the <u>first 3 years and 5 months</u> of contract period, AMC, ATS cost shall be added/removed as per the unit rate for respective devices submitted by successful

			year wise commercials for the respective device category in Annexure 9 BoM. Unit prices of similar make and model or equivalent configuration will be considered for the entire contract period for the devices which are not in Annexure 23.	Bidder in Annexure 23. Bidder should submit year wise commercials for the respective device category in Annexure 9 BoM for the <u>first 3 years and 5 months</u> of contract period. Unit prices of similar make and model or equivalent configuration will be considered for <u>first 3 years and 5 months</u> of contract period for the devices which are not in Annexure 23.
5	Scope of Work, Point 2.4, Page 6	2.4 New Tools	2.4.3. The Bidder need to comply with the technical requirement mentioned in the Annexure-25. The Bidder needs to provide the sizing in Annexure 26 considering the Bank's current infrastructure as mentioned in Annexure 23 and solution to be sized in order to cater a growth of 15-20% year on year for entire contract period. The sizing should be done in a way such that the resource utilization doesn't reach the threshold of 60%. The commercial need to be submitted by the Bidder as per the sizing mentioned in Annexure-26.	2.4.3. The Bidder need to comply with the technical requirement mentioned in the Annexure-25. The Bidder needs to provide the sizing in Annexure 26 considering the Bank's current infrastructure as mentioned in Annexure 23 and solution to be sized in order to cater a growth of 15-20% year on year for entire contract period. <u>Log retentions for the new tools will be 18 months active/online backup & 4 years archival.</u> The sizing should be done in a way such that the resource utilization doesn't reach the threshold of 60%. The commercial need to be submitted by the Bidder as per the sizing mentioned in Annexure-26.

6	Limitation of Liability	Newly added	<p><u>Limitation of liability</u></p> <p><u>Neither party shall be liable for any incidental or consequential damages arising out of or in connection with the agreement or any breach thereof (including for loss of profits or cost of cover, etc.), whether or not such party has been advised of the possibility of such damages; except for liabilities arising out of any violation, misappropriation or infringement of a party's intellectual property rights, or from a breach by either party of its obligation. In no event will either party's aggregate liability arising out of or in connection with the agreement or any breach thereof exceed the Contract Price entered into the Contract between Buyer and Seller.</u></p> <p><u>Notwithstanding the above, the Bidder/Service Provider shall be liable for actual financial loss, damages, cost, compensation, penalty suffered by the bank: -</u></p> <p><u>1. in case of gross negligence or willful misconduct attributable to the</u></p>
---	-------------------------	-------------	---

				<p><u>Bidder/service provider and/or its staff while providing services under the Agreement</u></p> <p>2. <u>in case of fraudulent acts or willful misrepresentation attributable to the Bidder/service provider and/or its staff regarding the services provided under the Agreement.</u></p> <p>3. <u>due to the acts/omissions attributable to the Bidder's/Service provider's staff during the period of employment with the Bidder/Service provider while working with the Bank under the agreement.</u></p> <p>4. <u>Breach of the confidentiality</u></p> <p>5. <u>Any liability/penalty/cost /compensation/charges that cannot be capped or is excluded as a matter of applicable laws in relation to this Agreement, attributable to the Bidder."</u></p>
--	--	--	--	--

Amended Annexure-16

Resource Requirements

(Should be submitted on Company's letter head with company seal and signature of the authorized person) (To be included in Part A- Eligibility cum Technical Proposal)

SUB: RFP for Selection of System Integrator for Core Banking Solution, Allied Applications, Infrastructure and Network Operations for the Bank.

Ref: GEM/2022/B/2781804 dated 29/11/2022.

To

Date:

Canara Bank,
DIT Wing, Head Office,
Naveen Complex, 14 M G Road
Bengaluru

Subject: Resource requirements declaration letter.

We hereby declare that <Bidder's complete legal name as mentioned on Bid covering letter> we will adhere to the below mentioned resource requirements.
Please refer the same table number in the amended Bill of Materials for providing the costing.

Table H: Program Management Resources

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1.	Program Manager (Mandatorily on Bidders payroll)	1		Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. or equivalent or higher qualification Experience and knowledge Practical experience in project management methodology and techniques gained through managing large and complex projects. Experience in managing Bank operations engagements and have worked as a Program manager in at least one Schedule Commercial Bank in India	18+

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
				Certification (Minimum one) <ul style="list-style-type: none"> • ITIL 4 Certified • PMP Certified • Prince-2 Certified 	
2.	Technical Lead (Applications & Interfaces, Infrastructure, Network, UAT and New tools)	5		Educational Qualification Graduate in Engineering /PGDCM /MBA/ MCA/PGDGM / BE/B.Tech in Computer Science & Engineering or equivalent or higher qualification. Experience and Knowledge Should have experience in Allied Applications & Interfaces, Infrastructure management but not limited to (Windows/Solaris/IBM Unix/AIX Administration/RHEL), storage, database (Oracle/DB2/Sybase/MySQL/MSSQL) and Network (Firewall/Load balancer/WAF/switch/router/SD-WAN) in Banking Domain. Certification <ul style="list-style-type: none"> • Application development Certification • Technical certifications like MCP/SA/ RHCE / CCNP/ VMware vSphere/ Oracle Solaris Certified/ PowerVM/IBM Certified Specialist. • Professional/Expert level DB Certifications but not limited to Oracle/MS-SQL/MY-SQL/Sybase/DB2 	10+
3.	Admin for all new tools (ITSM, SAMS, Patch Management, Capacity	4		Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Tele-communication & or equivalent or higher qualification	2+

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
	management, IPAM)			Experience & Knowledge Experienced in supervising IT services team to support and maintain company IT infrastructure. The roles and responsibilities including provide infrastructure support for new releases and deployments. Interact with business team to understand service level agreements and communicate the same to team members. Mentor and direct team members for timely completion of assigned projects. Conduct team meetings on regular basis to discuss about project issues and status. Perform root cause analysis of infrastructure problems and develop resolution plans. Perform incident analysis and suggest action items. Maintain all documentations for deployment, maintenance, upgrades, and problem resolution activities. Ensure team follows best practices and maintain service level agreements.	
4.	Application Lead	5		Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. or equivalent or higher qualification	10+
				Experience and knowledge Practical experience in project management methodology and techniques gained through managing large and complex projects. Experience in managing Bank operations engagements and have worked as a Program manager in at	

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
				<p>least one Schedule Commercial Bank in India</p> <p>Certification (Minimum one)</p> <ul style="list-style-type: none"> Application development Certification Technical certifications like MCP/SA/ RHCE / CCNP/ VMware vSphere/ Oracle Solaris Certified/ PowerVM/IBM Certified Specialist. <p>Professional/Expert level DB Certifications but not limited to Oracle/MS-SQL/MY-SQL/Sybase/DB2</p>	

Table I: Allied Application Support

Sl. No.	Application Name	Minimum Resources (L2 & L3)	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1.	Mobile Banking (Canara Ai1)	<u>18</u>		<p>Educational Qualification</p> <p>Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Tele-communication & or equivalent or higher qualification.</p> <p>Experience and Knowledge-</p> <p>Experience of working in IT Technical Application & Interfaces, Infrastructure and Network support for Customization, Implementation, Configuration.</p> <p>Knowledge of Internet Banking, Mobile Banking, UPI, Payment Services,</p>	<p>L2 3+</p> <p>L3 6+</p>
2.	UPI Switch and Services				
3.	IMPS Switch & Services				

				Customization, Implementation, Configuration, Knowledge of Banking Operation Logic, RTGS, NEFT, EOD, BOD. Vendor Management, customization. Should have worked as L1 Support for at least one Scheduled Commercial Bank in India. Certification Application Development	
4.	Application Service Engineer	5`		<u>Educational Qualification</u> Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Tele-communication & or equivalent or higher qualification. <u>Experience and Knowledge-</u> Debug the production issues ,Support application management ,resolve minor and medium production issues, consider the escalation from system team and provide resolution, attend issues raised by L1 and L2 team ,Log analysis, bug identification , and escalation to offshore team for resolution , customer complaints analysis and response ,support bank's production requirement directly related to MB,IMPS and UPI switch ,integration coordination with various department and vendors ,solve deployment related issues ,UAT Support, post go-live support, Quick fixes required at property and configuration level, production issues configuration, coordination with various departments for development, requirement and signoff <u>Certification</u> Java, SQL and any other similar certification	3+

Please note that all 18 Resources for above table shall be from the respective OEM and will be as per the below mentioned shift timings:

- 4 L2 resources in each shift, 3 shifts per day; Additional 2 L2 resources in General Shift.

- 4 L3 resources in General Shift.
- 5 Application service engineers in General Shift.

The L2 and L3 resources for the following applications deployed by the Bidder should be in 2:1 ratio respectively.

Sl. No.	Application Name	Minimum Resources (L2 & L3)	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1.	Canara Diya	12		Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Telecommunication & or equivalent or higher qualification. Experience and Knowledge- Experience of working in IT Technical Application & Interfaces, Onboarding applications, ITSM, Payment services, Middleware. Should have worked as L1 Support for at least one Scheduled Commercial Bank in India. Certification Application Development	L2- 3+ L3- 6+
2.	Central Processing HUB (CPH)				
3.	Tab Banking				
4.	MQ For NEFT / RTGS				
5.	Nisys				
6.	Document Management System (DMS)				
7.	Remit Money				
8.	DMS (Can FX) & EDMS (FX4U)				
9.	ESB/IIB				

DMS (Can FX) & EDMS (FX4U) and Remit Money onsite support resources should be deployed in Mumbai location.

Table J: Core Banking Support

The L2 and L3 resources for the following applications deployed by the Bidder should be in 2:1 ratio respectively.

Sl. No.	Application Name	Minimum Resources (L2 & L3)	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1.	Oracle Flexcube Retail and Corporate Banking	40		Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Telecommunication & or equivalent or higher qualification. Experience and Knowledge- 1. Experience of Flexcube Core Banking applications, Treasury, Customization, Implementation, Configuration, managing EOD/BOD process 2. Willing to work in 24X7 environment Should have worked in Similar Projects 3. Experience in managing Treasury related applications Certification Application Development	L2- 5+ L3- 8+
2.	Oracle Flexcube Universal Banking System				
3.	Oracle Banking Treasury Management (OBTM)				
4.	Oracle Banking Digital Experience (OBDX) (Internet Banking)				

Please note that all L2 and L3 Resources for above table shall be from the respective OEM (OFSS).

Oracle Banking Treasury Management (OBTM) onsite support resources should be deployed in Mumbai location.

Table K: Infrastructure Support

Sl. No	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1.	DBA for UAT environment	DC-4 (L2) DR-0		<p>Educational Qualification Diploma/Degree</p> <p>Experience and knowledge Intermediate DBAs with good knowledge in troubleshooting backup, restoration, export import, gather, Patch management. DB creation. Good knowledge in performance tuning required.</p> <p>Certification (Minimum one) OCP</p>	5 years in oracle DB
2.	L2 Resource (VMware Admin)	DC-1 DR-1		<p>Educational Qualification Diploma/Degree</p> <p>Experience and knowledge Managing VMware administration</p> <p>Certification (Minimum one) VMware Certification</p>	2 years in VMware admin

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
3.	L2 Infra Server and Storage support from OEM	DC-1 DR-1		Educational Qualification Diploma/Degree Experience and knowledge Experience in Hardware fix for IBM power series servers. Certification (Minimum one) IBM certified specialist in Power Series	3 years
4.	L2 Resource (DBA)	DC-5 DR-3		Educational Qualification Diploma/Degree Experience and knowledge Intermediate DBAs with good knowledge in troubleshooting backup, restoration, export import, gather, Patch management. DB creation. Good knowledge in performance tuning required. Certification (Minimum one) OCP	5 years in Oracle DB
5.	L3 Resource (DBA)	DC-1 DR-0		Educational Qualification Degree Experience and knowledge Expert DBAs with advanced knowledge in designing DBs, performance tuning, troubleshooting backup, restoration, export import, gather, Patch management. DB creation Certification (Minimum one) OCP	7 years in Oracle DB

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
6.	L2 Resource (System Linux)	DC-5 DR-3		<p>Educational Qualification Diploma/Degree</p> <p>Experience and knowledge Maintenance, Monitoring, Administration, and Management of Software and Hardware; All System Administration tasks w.r.t Linux Systems of all versions, Configuration management of Linux, Patch managements Hardening and secure hardening and fixing vulnerable observations, Driving the assigned project. Experience in implementing security, improvements by assessing current situation, Any other work entrusted by the Bank from time to time, Knowledge in shell scripting and automations of IT jobs, DR switch over experiences, OS Cluster Configuration, Configuration hardening, Inventory management, License management, release management, DC and DR syncing, LDAP ,NTP, SIEM, PIM integrations</p> <p>Certification (Minimum one) RHCE</p>	5 years in OS administration

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
7.	L2 resource (System Windows)	DC-5 DR-3		Educational Qualification Diploma/Degree Experience and knowledge Intermediate system administrator with good knowledge in Install, configure and maintain systems and applications. Managing incidents and problems on a daily basis to minimize downtime on customer activities by maintaining SLA. Troubleshoot system and applications issues. Root Cause Analysis, Maintain documents, procedures and technical guides. Certification (Minimum one) MCSA	5 years in windows administration
8.	L2 resource (AIX)	DC-5 DR-3		Educational Qualification Degree Experience and knowledge Intermediate knowledge in upgrades, installing applications, implementing AIX security policies, solving technical issues, and preparing disaster recovery strategies. Root Cause Analysis Certification IBM certificate on AIX administration	5 years in AIX administration

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
9.	L3 resource (AIX)	DC-1 DR-0		<p>Educational Qualification Degree</p> <p>Experience and knowledge Advanced system administrator with advance knowledge in install, configure and maintain systems and applications. activities. Troubleshoot system and applications issues. Coordinate and review all system related activities. Root Cause Analysis</p> <p>Certification IBM certificate on AIX administration</p>	7 years in AIX administration
10.	L2 resource (Backup and Storage)	DC-5 DR-4		<p>Educational Qualification Degree</p> <p>Experience and knowledge Provide advice on the ITS backup and storage services. Manage and maintain the backup systems. Ensure backups are run to schedule and retention is met. Verify all full backup jobs</p> <p>Certification Industry leading OEM Certification</p>	5 years

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
11.	L3 resource (Backup and Storage)	DC-1 DR-0		Educational Qualification Degree Experience and knowledge Advance level knowledge in backup and storage. Will be able to plan and implement critical activities Certification Industry leading OEM Certification	7 years

Sl. No	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
12.	L2 resource (MSSQL DBA)	DC-2 DR-1		<p>Educational Qualification Degree</p> <p>Experience and knowledge Middleware administrator with basic knowledge in Install, configure and maintain Middleware applications. Middleware Software Monitoring. Managing incidents and problems on a daily basis to minimize downtime on customer activities by maintain SLA. Troubleshoot Middleware and applications related issues. Maintain documents, standard operating procedures and technical guides. Maintenance and Administration of Middleware, implementing security improvements by assessing current situation; Evaluating trends; Anticipating requirements and making changes to keep the organization secure, any other work entrusted by the Bank from time to time. Fixing vulnerability and upgrading version of middleware</p> <p>Certification Middleware Certified Professionals in WebLogic</p>	3 years of Experience

Sl. No	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
13.	Oracle ACS Support for Middleware	DC-2 (L2) DR-0		<p>Educational Qualification Degree</p> <p>Experience and knowledge Middleware administrator with basic knowledge in Install, configure and maintain Middleware applications. Middleware Software Monitoring. Managing incidents and problems on a daily basis to minimize downtime on customer activities by maintain SLA. Troubleshoot Middleware and applications related issues. Maintain documents, standard operating procedures and technical guides. Maintenance and Administration of Middleware, implementing security improvements by assessing current situation; Evaluating trends; Anticipating requirements and making changes to keep the organization secure, any other work entrusted by the Bank from time to time. Fixing vulnerability and upgrading version of middleware</p> <p>Certification Middleware Certified Professionals in Weblogic</p>	<p><u>5 years of Experience in Middleware Platform-Weblogic, Jboss or any other equivalent with minimum 2 years in Oracle ACS support.</u></p>

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
14.	L2 resource (Middleware support)	DC-4 DR-1		<p>Educational Qualification Degree</p> <p>Experience and knowledge Middleware Administrator with strong knowledge in Migration, Installation, configuration and maintaining Middleware applications. Good knowledge in troubleshooting, Fix pack/PSU Patch management. Good knowledge in performance tuning required. Middleware, implementing security improvements by assessing current situation; Evaluating trends; Anticipating requirements and making changes to keep the organization secure, any other work entrusted by the Bank from time to time. Fixing vulnerability and upgrading version of middleware, applying fix pack, configuring parameter to Applying fix pack, configuring parameter to improve application performance, fixing vulnerability issue by coordinating with OEM, & improve application performance</p> <p>Certification Middleware Certified Professionals in WebLogic/WebSphere/Jboss/Apache Tomcat/IBM MQ/Rabbit MQ/IIS MQ/Nginx/Spring framework</p>	5 years of Experience in Middleware Platform-Weblogic, Jbos, Apache tomcat or any other

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
15.	L2 resource (Antivirus Admin support)	DC-1 DR-0		<p>Educational Qualification Degree</p> <p>Experience and knowledge AV administrator with knowledge of various engines like Antimalware, Web-reputation, AV firewall, File Integrity, HIPS, Application control. Should have good knowledge of Anti-APT solution and Data protection solution. Should have experience to analyze the events and group it based on the criticality and report the events.</p> <p>Certification Any leading certification from leading Anti-virus OEM</p>	3 Years of Experience in Antivirus, Anti-APT, Data protection and EDR solution.
16.	L2 resource (Solaris System)	DC-1 DR-0		<p>Educational Qualification Degree</p> <p>Experience and knowledge Intermediate knowledge in upgrades, installing applications, implementing Solaris security policies, solving technical issues, and preparing disaster recovery strategies. Root Cause Analysis, Configuration hardening and OS hardening and role base access configuration, LDAP, NTP, SIEM, PIM integrations, Inventory management, License management, release management, DC and DR syncing</p> <p>Certification Oracle Solaris Certifications</p>	5 year in Solaris administration

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
17.	L2 Oracle ACS Database support	DC-5 DR-0		<p>Educational Qualification Degree</p> <p>Experience and knowledge Solaris Server, Solaris Cluster, Solaris Logical Domains (Architecture and Design) Zones, Oracle Enterprise Linux, ZFS, Oracle database, Exadata and Super Cluster Advanced knowledge of relational databases Oracle, SQL server and data modeling. Include assistance in following activities but not limited to: a. Installation and configuration. b. Patch and update installation. c. Technology and software lifecycle guidance. d. Product functionality guidance. e. Research, setup issues and provide recommendations. f. Oracle product clustering and Real Application Clusters ("RAC") advice and guidance. g. Database and system partitioning. h. Configuration documentation and run books. i. Database and storage performance optimization. j. Change management and patching processes</p> <p>Certification Oracle Training and Certification (OCP)</p>	<p><u>5 years in Oracle Database support with minimum 2 years in Oracle ACS Database support.</u></p>

Table L: Network Support

Sl. No.	Resource Type	Minimum Resources	Additional Resources to maintain SLA (if any, to be filled by Bidder)	Educational Qualification, Knowledge & Experience and Certification (if applicable)	Minimum Years of Experience
1	Network Support Lead	2		<p>Educational Qualification Graduate in Engineering /MBA/ PGDCM/ MCA/ B.E. / B.Tech. in Computer Science/Electronic & Telecommunication & or equivalent or higher qualification</p> <p>Experience & Knowledge Experienced network expert for assisting the Bank's team in networking activities and scope of work. The roles and responsibilities include planning, designing and upgrading network installation projects, they also play a role in creating, maintaining, and modifying an IP network's hardware, software, and virtualized components. Creating and following SD-WAN and SDWAN implementation plans. Monitoring of ADCs of different OEMs but not limited to F5, Citrix. He / She should have an experience of more than 10+ years as IT network architect/SME in large projects of similar nature.</p> <p>Certification</p> <ul style="list-style-type: none"> CCNP-Security/CCNP-Data Center/CCSE/JNCIP-DC/JNCIP-SEC/Other Industry leading OEM Professional level Certification related 	10+
